

# SAKURAO HASSAKU ROCKS LIQUEUR

JAPAN

50CL 16° DISTILLERY SAKURAO

**TECHNICAL INFORMATION**

A showcase for hassaku, a Japanese citrus fruit that is similar to a grapefruit and grows near the distillery

Two-stage production process: the hassaku peel is infused, then the resulting infusion is distilled while the peel is also distilled to extract the essential oils from the citrus to capture as much aroma as possible

The distillery adds pure hassaku juice to these distillations to reinforce the fruit aromas
